

Government in Arkansas, 10th Edition

League of Women Voters of Arkansas

The League of Women Voters of Arkansas proudly announces the release of the 10th edition of *Government in Arkansas*, an invaluable resource for teaching civics and government in Arkansas schools and as a reference for librarians, teachers, elected officials, public employees, and citizens.

This special edition commemorates the 100th anniversary of both the passage of the 19th Amendment to the U.S. constitution in 1920 and the creation of the League of Women Voters. Suffragist leaders formed the League following their success with the passage of the 19th Amendment to protect the right to vote for all citizens and to educate voters on how to participate in the political process.

This edition features a new section on women's suffrage in Arkansas, updates throughout, and informative comparisons of Arkansas and other states in matters of governance.
